MILES PER HOUR OFF POINT
REYES — FOURTEEN DIE IN
STORM SWIFT SOUTH

SAN FRANCISCO, Feb. 26.—A gale which reached a velocity of 80 miles an hour off Point Reyes damaged shipping, and forced vessels to tie up Saturday.

The Southern Pacific reports a terrific snow storm, and slides in the Sierras. An Atlanta report says fourteen persons are known to have died, and many others reported killed. One hundred are reported injured in the storm which swept the entire south land.

FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE
USING RECIPE OF SAGE TEA
AND SULPHUR

Hair that loses its color and lustre, or when it falls, turns gray, dull and brittle, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it, and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre, and gives it an appearance of abundance.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.

RAIL FOR SPRING TRAINING
CAMP AT SACRAMENTO

SAN FRANCISCO, Feb. 26.—The "Hot Stove" League season came to an end today in San Francisco.

The San Francisco Coast League baseball club, headed by Pilot Harry Wolverton, will advance of Sacramento, and the training season of 1917 will be opened. For several days Henry Berry, owner of the Seals, has been in the capital city preparing the park where the players will train, arranging hotel accommodations, etc. Manager Wolverton made a flying trip to Sacramento early this fall, completing arrangements for the work in the club house.

Although the Seals will go to Sacramento today, it is not expected that the actual workouts will begin immediately.

The Seals will open the 1917 season in a baseball field which is virtually new. Recreation park has been entirely rebuilt since the curtain rang down on the 1916 season. The old stands have been replaced by much more modern and capacious pavilions, and the entire park has been enlarged.
